INTRODUCTORY AND EXPLANATORY OBSERVATIONS.

1. TOTAL AMOUNT OF LOCAL TAXATION OF IRELAND.

THE LOCAL TAXATION of Ireland, making the usual deductions for sums appearing in the returns of two local authorities from contributions from the taxation collected by one towards what is expended by another, may be set down for the year 1882 at £9,584,874.

This sum is compared with the corresponding amounts in preceding years since 1866, in the following table:—

YEAR.	Total Taxation of Ireland.	Receipts.	Decrease.	Increase per cent.	Decrease per cent.
	£	£	£		
1866,	2,537,280	—	—	—	—

1882,	3,334,679	743,249	—	4.2	—

It appears from this table that the local taxation of Ireland shows in 1882 a net increase of £143,249, or 4.2 per cent., on the Returns for 1881.

This increase is accounted for thus—

Classification of Local Taxes.	Increase. £	Decrease. £

The principal increases are in the Poor Law Rates, the Grand Jury Cess, and the receipts under Town Authorities.

2. GRAND JURY CESS.

One of the most ancient and the largest of the local taxes in Ireland is the rate on real property called Grand Jury cess. It derives this name from the authority chiefly engaged in authorizing its application. The historical origin of this tax and of the constitution of the bodies to administer it, are fully explained in former reports made by Dr. Hancock.

The following table shows the gross amount of Grand Jury cess under the principal heads of expenditure, and the per-centage of same:—

4. THE DOGS LICENCE DUTY.

The collecting of the dogs licence duty is entrusted to the Petty Sessions Clerks, and a return of it is made to Parliament by the Registrar of Petty Sessions Clerks; so that an abstract only is included in Appendix V. to this Report. A considerable part of the remuneration of Petty Sessions Clerks is derived from the dogs licence duty. The surplus of the duty, after providing for the cost of collection, is paid over in aid of Grand Jury cess and the town rates.

6. COURT LEET PRESENTMENTS.

The only Court Leet ascertained to be still in operation in Ireland is that in the Manor of Killultagh, including the town of Lisburn, in the county of Antrim; a full account of the standing orders of this Court Leet is given in Appendix XXVI. to Dr. Hancock's Report for 1869.* The Court Leet presentments bear some resemblance to Grand Jury cess, in being made by a Court Leet Grand Jury and levied off land and being partly applied for manor roads; they resemble town taxation in being applicable to town fountains, fire-engines, and fairs and markets. The total amount presented in 1882 was £239.

7. TAXATION UNDER HARBOUR AUTHORITIES IN IRELAND.

9. ARTERIAL DRAINAGE.

Repayments for Expenditure on Drainage Works executed by Commissioners of Public Works.

The particulars of these repayments have been supplied by the Commissioners of Public Works. The rates on lands drained are stated to have produced £24,616, and the amount charged to the County Cess during the year 1862 was £2,016.

10. RECEIPTS AND EXPENDITURE OF TOWN AUTHORITIES.

In this Report all the receipts of the various town authorities have been grouped together, to facilitate comparison and obtain a general view of the relative amount collected by the different classes of town authorities. The taxation levied by the Dublin Metropolitan Police Commissioners has not been included, as the expenditure on Police is under the control of central and not of local authorities. The Court Leet presentments are also taken separately, as the jurisdiction of the Court Leet Grand Jury extends beyond the town boundary to the whole manor.

The receipts are divided into—(1) Rates on real property; (2) Tolls, dues, and fees; (3) Receipts from property, and other receipts; (4) The receipts from borrowed money are set out separately; as also (5) Receipts from Grand Juries included in Grand Jury presentments.

The rates in lieu of Grand Jury cess levied by the Town Councils of Dublin, Cork, and Limerick, in exercise of the powers elsewhere vested in Grand Juries, are included in the town taxation, and deducted, as in former years, as being rates both levied and managed by a town authority, from the Abstract of Grand Jury cess, where they are also returned, under stat. 4 Geo. IV., c. 83.

11.—BURIAL BOARDS.

In the case of Town Burial Boards, the receipts on account of burial rates are included in the Town returns; but the classification in the Appendix shows the details of receipts and expenditure both of these and the Poor Law Burial Boards.

12.—POOR RATES.

The particulars of the collection and expenditure of poor rates are so fully detailed in the Annual Reports of the Local Government Board that it is only necessary on this, as on former occasions, to refer to the Abstract in Appendix XVIII., as showing the amount of poor rates included in the general statement of Local Taxation in Ireland.

13. CLASSIFICATION OF LOCAL TAXATION AND PROPORTION RECEIVED FROM (1) RATES ON REAL PROPERTY; (2) TOLLS, FEES, STAMPS, AND DUES; AND (3) OTHER SOURCES.

In the following table the local taxation of Ireland is classified to show how much is raised by rates on real property, how much arises from tolls, fees, stamps, and dues, and how much from other sources of receipt besides borrowed money and grants from the Imperial taxes.

In the case of Grand Jury cess, from the total net amount of cess to be levied, £1,195,961 (the amount returned in Appendix I.), £57,975, the amount for the counties of the cities of Cork, Dublin and Limerick is deducted, as being necessarily and properly included in the Town Councils' returns—and, being both levied and administered, not by Grand Juries, but by Town Councils, should remain there; leaving the net amount to be administered by Grand Juries or paid under imperative presentments, £1,137,986.

In the case of Town taxation, it has been necessary to deduct from the total receipts from other sources of £165,863, included in the table in section 10 of this Report, £6,890 paid out of fines to Treasurers of Boroughs, and £173 appearing in section 4, paid out of Dogs Licence duty in aid of Town rates, thereby reducing the amount of such receipts not elsewhere included in the summary of taxation to £158,890.
